*These items can be for women or for men alone. You need to use your discretion. We like to see the backpacks filled with useful items but each should have an "Aha!" gift—something that will make the recipient feel special.

If you are donating a backpack, it should be an appropriate size, color for age/sex category.

Please bring items to church during the month of May. They may be placed in laundry baskets by the Social Ministry display in the church hall. Questions? Call Thanne Wangerin (477-6720).
