

## Bev and Lyle Petersen

from Blue Hill, Nebraska, will be the managers for our new sanctuary building project. They have close to 20 years of Mission Builder experience, including both phases of Bethlehem Lutheran in Chesterton, in 1999 and 2002. Both the McPhersons and Schoechs have enjoyed working with Lyle and Bev.

## Gloria and Gary Tiffany

are full-time RVers, formerly from Janesville WI, and Shreveport LA, where Gary was an industrial engineer for GM. They have been Mission Builders since their first job with the McPhersons, in Ontario, OR, in 2004. They'll bring along their Italian greyhound, Ari.

## Ruth and LaVerne Anderson

used to attend Trinity, here in Valpo, and are long-time friends of the Tieberts! They have been Mission Builders since 2001, and are looking forward to coming back home. The Andersons love to travel in their RV; good thing, since they now live in Clovis, California!

## Roger & Carol Berg

are from Clermont IA, where they were high school sweethearts. They have been dairy and hog farmers, and Roger has also worked in construction. Carol has a diverse nursing background and is their parish nurse. The Bergs have been Mission Builders for ten years.

## Dennis & Barb Smith

got "the bug" for being Mission Builders when they volunteered for two weeks at the Duluth, MN project. This is what they feel the Lord is leading them to do. They will be retiring and leaving Sheboygan WI at the end of March to begin lives as fulltime RVers. The Smiths have four children and seven grandchildren who are all very supportive of this decision. They look forward to all the Lord has in store for them and all the wonderful people they will meet.

# Tom and Katie Gillman

live in snowy Gladwin MI. Tom was a manufacturing engineer, and enjoys fishing, golfing, camping, and carpentry. Katie is a homemaker and LPN. They have four children, 13 grandchildren, and 4 great-grandchildren! Ours will be their 8<sup>th</sup> Mission Builder project.
